Congratulations to Bill Eisenhardt who received the Town of Enfield Volunteer Recognition Program Award on November 10, 2010.

We nominate **Bill Eisenhardt** for Enfield Volunteer of the Month.

Bill has been a long time resident of Enfield. Below are some of the deeds Bill has done or accomplished.

- 1] He has and still is a active 20+ year member of the Enfield Volunteer Fire Company. He is presently part of the Fire Police.
- 2] He has held many responsible positions in the EVFC. He has been a EVFC Board member for several years.
- 3] He participates in the EVFC Highway Clean Up.
- 4] Bill works at the popular EVFC Chicken Bar-B-Ques each winter.
- 5] He is always behind the scene doing many duties far and beyond the call of duty.
- 6] He has worked the Enfield Food Distribution.
- 7] Bill does a lot of work for people not only in Enfield, but also in the surrounding area.
- 8] He helps many people with snow removal, grass mowing, general clean up, painting, repairs and gardening.
- 9] He helps not only with personal projects, but also helps with community projects.
- 10] He is presently President of the Enfield Seniors Citizens and has arranged many well attended trips for this group.
- 11] Bill's neighbors speak highly of him as many have benefited from his talents.
- 12] Bill also has watched over people's property while they are away.

Bill is a very active person and I have not begun to have touched on everything he has done for so many people.

I find Bill Eisenhardt to be more than qualified for the Enfield Volunteer of the Month Award. I am proud to know Bill and be his friend.
