RE: Volunteer of the month

Dear Roy & Town Councilpersons

With much appreciation I would like to nominate Larry & Tracy Saulsgiver as "Volunteers of the Month".

It has been over forty years since I met Larry & Tracy and it was apparent then, they seem to thrive on helping people. Larry has been an active member of the Fire Co. for over forty years and performed diligently many positions. Tracy has been active member of the Ladies Auxiliary.

They have both been in the "Roadside Cleanup" program for many years. They have helped for over fifteen years with the Enfield Food Distribution. They are involved with the Enfield Senior Citizens group with much enthusiasm . Both are always ready to help a neighbor in need with building or food. Larry works with the Wheel Chair repair program.

They have been involved with Habitat for Humanity for many years to ensure people in other areas of the United States have a better place to live also.

Larry & Tracy are true servants and it has been a true joy to watch them serve. Their dedication to helping our community is why I feel they should be recognized as "Volunteers of the Month"

Sincerely,

Helen Jackson Hetherington
