

Volunteers of the Month

Dear Roy

I would like to submit a request for Nancy Spero and Judy Hyman to be recognized as community volunteers of the month.

Though I know Nancy has been a resident of Enfield since 2000 and Judy since 1996 I have only known them since January 2012. I am sure they have volunteered their time in the community in various ways before 2012 and I know they both have volunteered numerous hours since.

My specific "volunteer" focus is about the energy that both Nancy and Judy put towards organizing and participating in the square dance fundraiser for the Enfield School Age Program. They donated their time and in Judy's case, also band members, to play for that evening.

The Enfield School Age Program was in a serious financial down slope this past winter. Once that information was known, Nancy and Judy took it upon themselves to come to the "aid" of a community organization. Please know that Nancy and Judy do not have children or family members who participate in the Enfield School Age Program. The square dance evening was quite successful financially – many generous donations given that evening.

It was a pleasure to see many community and non-Enfield community members participate in this event physically and financially.

Nancy and Judy brought the Enfield community together for the benefit and aid of a viable organization in this town.

Respectfully submitted,

Vera Howe-Strait
