October's poplars are flaming torches lighting the way to winter.

Fall is Finally Here!

The recent 38th annual Enfield Harvest Festival floated through several downpours, but whenever the skies cleared a little bit people made their way to the school and enjoyed the day. Here are some of the highlights:

- The day feature some really outstanding music, and our own Pete Panek lifted spirits with his always-great blues tunes and on-going commentary to the crowd to remind them about the Cake Wheel and other event happenings.
- Tompkins County Dairy Princess Hannah Baker of Sweyolakan Farm on Bostwick Road, along with one of her Ambassadors (Mackenzie Weaver of Dryden), constructed a giant, oowey goowey mess of an ice cream sundae which they then served to the crowd.
- The Children really enjoyed all the new games showcased this year, especially Pumpkin Bowling and Daisy, also known as "Firefly".
- Our borrowed bovine "delivered" as promised for Cow Pie Bingo, to the delight of all!
- In spite of the weather, the Chicken BBQ, ably prepared by members of the Enfield Volunteer Fire Company, was a sell-out.
- There was lots of great information for our community members, with the State Police demonstrating the roll-over simulator attracting a lot of spectators.
- Our Silent Auction donators were generous and creative; it was a lot of fun just reading through the offerings.
- The Ping Pong Drop happened in the rain, a first for us, and the pilot did some fancy acrobatics as he left. The children were of course oblivious to the rain, running around collecting ping balls as happily as ever.
- Kendra Trimmer from Trumansburg won our beautiful quilt and our own Donna Mott won the door prize.

Thanks to the chairmen for all the hard work and effort that went into making this happen and to our many neighbors, especially our young people, who volunteered countless hours to this day. I can't tell you how excited I have been for all the help and good spirits and hard work that so many people have given to this day! So many thanks to all of you! Hope all of who braved the weather to attend had a wonderful time!

Summer camp, Cinema in the Center, ten days at the Jersey Shore, five incredible productions at the Hangar, a fantastic program by the NYC Ballet in Saratoga with a group of ten years olds and then two days later with my contemporaries, Grassroots and a hot, dry summer are but wonderful memories. Hope you all have great memories of the past few months. We're now deep in the reality of fall with the shorter days, cool, cool nights and glorious, sunny days! What a great stretch of weather! Great for gardening, cleaning up, canning and all those things that will make us ready for winter. Are you tired of tomatoes yet?

Looking ahead - does anybody want to help start a Community Garden next year? Call me! We can make it happen!

Summer Camp 2012 Wrap-Up

Summer Camp is now a distant memory as we move back into a new school year and the beginning of a new season. As always, the coming of summer is slow and then it's over in a blink of an eye. Anyway, let me fill you in on what were the camp "happenings":

We had 101 campers and 14 Counselors-in-Training (14-15 year olds).

There were so many field trips this year that it became hard to fit in other special activities and sometimes even our daily activities! Campers went to: Greenwood Lakes State Park, Taughannock State Park, Sciencenter, Mini-Golf, Corning Glass, Cinemapolis (How To Train Your Dragon), Watkins Glen, Filmore Glen, and Hangar Theater. Some of the sites we visited two times. In between trips and daily activities there were the following presenters: Healthy Foods Coalition, FLIC (Finger Lakes Independence Center), and the Academy of Dance. Examples of the daily activities included:

- **Sports:** various kick ball games, Soccer, Capture the Flag, 4 Square, Parachute games, Softball, Ring Toss games, Bean Bag Toss games, Running and Tag games.
- **Science:** Static Electricity, Density layers, Colored Shaving Cream, Various mixtures to make bubbles and the effects of each mixture used with homemade wands, Insects, Egg Drop, Simple explosions, and Scavenger Hunt: nature explore, predator/prey.
- **Forgotten Arts:** Mini Bagel Pizza, Edible Peanut Butter Play dough, Board games, ball catchers on a string, cats in the cradle, Button on a string, word search/scrambles/mazes, made journals, s'mores, music/movement activities, goop, ooblic, clay, play dough, sno-cones, homemade stilts (5 pair of varying sizes), washer game, kick the can, jump rope, bean bag toss; hop scotch.
- **Arts:** Self-Portraits, animal pictures and sculptures, Boondoggle variations, mosaics, god's eyes, totems, jewelry with beads and with can tabs, insect and fish magnets, pictures drawn of insects, mosaics made with various materials, painted wooden cut-outs for magnets and stick puppets, cork floaters; sun catchers, origami, tattooing with make up pencils, water coloring, tie-dyeing with stencils, fortune tellers, wooden people.

During, before, after the daily activities and the trips and the presenters there were the traditional camp specials and "other/choice" activities:

- **Specials:** Ice cream sundaes, staff dish-to-pass lunch, water day, peanut hunt (1st Place: Mustangs with 408 peanuts, 2nd Place: Butterflies with 406 peanuts, 3rd Place: Unicorns with 399 peanuts, 4th Place: Frogs & Dragons - tied with 386 peanuts each, and 5th Place: Monkeys with 380 peanuts—the winner got a trophy!)
- Overnite at the Y camp in Treman Park with 17 campers ages 11-13 and 5 staff/1 parent
- Swim everyday and during after camp, Playground Time, Sprinklers, Sidewalk Chalk, Misc. craft activities during choice times, Primitive Pursuits, Creek exploring.

I would like to take this opportunity to thank all the counselors and specialists – without your daily energy and positive job performance this camp would not be as successful and enjoyable as it was.

Thank you to the staff at Treman State Park for working with us and around us this season. As always it is a pleasure to be at the Park and work alongside a group as committed as Treman's who keep up with the park as diligently as they do.

Lastly, to all you parents/guardians who have enrolled your children into our camp as first-timers and returnees – thank you for entrusting your children to Enfield Camp. I hope your child(ren) enjoyed themselves and you had a positive outlook and will have your child(ren) return for the 2013 season.

To all I don't see throughout the winter - have a great year with wonderful experiences. Please enjoy your children each and every day - they grow fast (mine are on their own now and I wonder where did 22 and 18 years go??!!). Teens and young adults, good luck at school/work and don't forget to stop and visit us here in Enfield!!

Thank You Enfield Community!

The popular saying “it takes a village to raise a child” can also be paraphrased “it took a village to build a playground!!” It took everyone in the community, including school staff and families, to build Enfield’s new playground. Thank you to everyone who worked to build it, cooked for it, watched kids, donated goodies, passed the word we needed help, etc., etc. It all came together! Thank you, thank you, thank you! Please check out the playground some evening or weekend. We now have grass and a new blacktop. It looks wonderful and the kids (big and small) are enjoying it.

GED Classes

There are no longer GED classes at Enfield School, but if you want to know when and where the GED classes are in the area, please call The TST-BOCES Adult Education Office at 257-1561.

History in the Past

by Sue Thompson, Enfield Town Historian

On April 2, 2012 the U.S. Census Bureau released the 1940 Census results. If you are a genealogist this was probably a very exciting event for you. The detail in this census is amazing. It not only covers 1940 but asked about where our family and friends were in 1935. Alan T. Rumsey was the town of Enfield's census enumerator. He started going door-to-door on April 3rd asking the 65 questions of residents. The last recorded date on the Enfield census was May 14, 1940. The population of Enfield in 1940 was 1082. After looking at the census you might ask what it was like to live in the town then. Or, you might want to reminisce if you lived in the town at that time. I thought to help with either of these thoughts I would share what the Enfield Town Board did in their 1940 meetings:

- January 1:** Harvey Stevenson, Supervisor, presided. The supervisor was empowered to pay the electric light bill whenever it comes without prior audit of the board. Justice of Peace: Thomas R. Brown, Clayton Purdy, Daniel Mitchell, Abram Updike; Margaret Laughlin, Town Clerk.
- January 4:** Appointed as Inspectors of Election: District No. 1: Mazzare Spencer, Clarence Fitchpatrick, Alan Rumsey and Edna McFall. District No. 2: Kenneth Stoughton, George Tubbs, George Laue and Anthony Brable.
- February 5:** Bill of \$34.94 be paid to the NY Casualty Co. for the Collectors bond and Collectors holdup and burglary policy.
- March 4:** Neva Laue bill of \$7.85 be paid for services in Collectors Work. Wilbur Sheffield paid \$30 for services as attendance officer from Oct. 23, 1939 to Feb. 29.
- April 1:** Bill of \$61.20 for Welfare services be paid. The following roads were designated for improvement this year. From the corner east of the Community Building and leading east to the Town line a distance of ¾ mile and Tubbs Corners and leading east to Stoughton's Corners, distance of 2/3 mile,
- April 15:** Special Town Board meeting. Authorization to purchase 1 Cletrac Tractor Model D.G. Equipped with Ice Grousers. Total purchase of \$4720.00.
- May 6:** Walter Steenberg appointed assessor for 2 years.
- June 3:** Bill for \$5.59 due Fred D. Rumsey for addition of fire Insurance on bulldozer be paid.
- July 1:** Bill paid for \$11.90 due Gordon Bowers for painting and work on the Town Hall. Authorized purchase of a Case Tractor built in 1924 for price of \$500. Trade in allowance on condemned Case Tractor \$100.
- July 2:** list of jurors to serve as trial jurors for the ensuing year 1940 – 1941:

For the Farm Community

Deer Management Focus Area (DMFA)

The DEC has established a DMFA in Tompkins County, including much of Enfield, to intensify use of hunting to assist communities with the burden of overabundant deer populations. The DMFA Program is established to reduce total deer populations by providing more time and more tags to hunters with access to huntable land.

Within the DMFA, registered big game hunters will be authorized to:

- Take up to 2 antlerless deer per day using DMFA carcass tags during the general hunting seasons (regular season, and bow and muzzleloader seasons with appropriate special season privileges).
- Hunt antlerless deer only (limit 2 per day) during a DMFA season from the second Saturday in January through January 31. During the DMFA season, a hunter may use any hunting implement that is lawful during any other deer season in that area. Rifles are not authorized for big game hunting in Tompkins County.

How it Works:

- Any person currently licensed to hunt deer may register with the DMFA program and obtain a free DMFA Permit and Carcass Tags.
- Both the DMFA permit and carcass tags must be carried while deer hunting in the DMFA. The permit and carcass tags are valid only within the DMFA.
- All DMFA registered hunters must submit a hunting activity log with reports of all deer harvested in the DMFA no later than seven days following the close of the DMFA season. The hunting activity log will be provided with the DMFA permit.

DMFA Registration and Permits

To participate in the DMFA program during the 2012-2013 season, you must obtain a DMFA registration number and write the number on your DMFA permit and carcass tags. DMFA Registration Numbers, Permits and Carcass tags will be available by late-September.

You do not need to register with the DMFA program if you only hunt during the general hunting seasons using your regular deer carcass tags.

To view the DMFA Map or get more information visit the website: <http://www.dec.ny.gov/outdoor/82382.html>
