

History and Population Committee

Plan Headings: History, Population, Description of Existing Conditions, Historic Preservation

MEMBERS -- *Planning Board*: Sue Thompson sdt1@cornell.edu (Chair); *Town Board*: Vera Howe-Straight vstrait18@htva.net; *community*: Cindy Estes-Smith cge3@cornell.edu (Note Taker)

MINUTES, November 7, 2012

Attendance: Sue, Cindy, with input from Judy Hyman

Sue researched many of the questions in the document "Statistics we need updated from the Enfield C.P. of 2001" in advance of the meeting and shared copies of the data with the Planning Board and citizens at the meeting.

We looked demographic data Sue has gathered and discussed need to identify/tag the questions that will need more analysis and/or assistance from the County Planning Department staff or Dan Walker

Sue provided copies of the NYS Department of Transportation Local Roads Listing for the Town of Enfield. The list is arranged according to town or county jurisdiction - i.e. who is responsible for maintenance. Discussed adding this type of exhibit to the new C.P. appendix.

We decided to produce a word version of the current C.P. so that we can insert/highlight new data, mark the areas where more assistance/expertise is needed, cite sources of information (i.e. links to census data).

We will ask Vera about her availability so we can set up a time/place to meet before the December planning board meeting.
