The next issue will be compiled in June for publication at the end of that month. Contact the editor with information you'd like to see included.

Welcome spring!

You'll notice a familiar refrain running through many of this issue's submissions - lamentations of an excessively long and cold winter and a pleading for a speedy and warm spring. I'm singing right along with them.

While I am not the only one who spent much of February trying to hibernate, I know a lot of folks actually got out there to watch basketball games at the elementary school or drag themselves back out in the evening to attend meetings throughout the community. Still, I think we all agree that was one tough winter, and we feel as though we "survived" it.

I'm hopeful by the time this reaches you it will have started to warm up, and we all get a chance to get outside and do a little yard work, get the beginnings of a garden together, and have that first evening campfire in the back yard. I'm personally looking forward to relaxing on the porch with a glass of iced tea.

Speaking of gardening, now's the time to consider planting a little extra of everything if you want to try vending at the Grange-sponsored Farmer's Market this summer. Unlike larger markets, you don't have to grow a truck load of anything - and if you always grow too much, you are a perfect fit for vending at the market! As for the rest of the community, consider making the market a weekly stop—as I often say, you can be in and out of there in less time than it takes to cross the parking lot at the mega-stores!

The third annual Spring Faire is coming up on May 9th, and this year's event will include a pig roast. Enfield Community Council is also looking for vendors for the event, so calling all crafters!

If you are reading this, congratulations - you are one of many who do! Why does that matter? Because that means this newsletter is a great place to share upcoming events, news of interest to the community, and report on past activities. The newsletter is compiled quarterly: January, February, March - April, May, June - July, August, September - October, November, December. I begin putting it together at the beginning of the month prior to the next edition - so, December, March, June, and September. My goal is to have it in mailboxes by the first day of the first month of each quarter, but there's usually a hold up waiting for a submission or two, so the newsletter is often mailed a week late. I would rather it go to print a little late rather than leave something out. So, even if it's last minute and you realize you wanted to submit something, give me a call (277-4547) - if I can squeeze it in, I absolutely will!

Have a great spring,  
Debbie Teeter, Editor

## Enfield Community Council Programs

Hello Fellow Enfielders -

Well, we have made it through another winter. This one seemed particularly long (and cold) to me. What a blessing to be getting some warmer weather finally! Of course, warmer weather means major pick up time (at least at my house). It seems that every day as the snow recedes I see more items in the lawn that need to be picked up. Branches, dog toys, card board that got blown out of the recycling bin, etc... all needing to be collected. Please remember your neighbors at this time. Anyone with mobility problems could use a hand, even to just take a short walk outside without the fear of falling. Young people could help with lawn pickup (now before everything is buried in the grass that will start growing). And even though the nicer weather will help with depression caused by winter blues, please take the time to visit with people who can't get out and socialize.

We have exciting activities coming up. On May 9th we will be holding the ECC Country Faire with pig roast. We have the Cinema in the Center again this summer. Keep checking with us for the dates. And of course the gorgeous scenery coming to life around us. Get out there and enjoy our lovely local parks!

We are, as always, looking for volunteers and ideas. Do you know a vendor for the Country Faire? Is there a family friendly movie you would like us to show this summer? Would you like to help with moving forward with the community center? Please let us know! Feel free to contact me either by e-mail ([cbailey525@yahoo.com](mailto:cbailey525@yahoo.com)) or phone in the evenings (607-279-4702)

Happy Spring,  
Cortney Bailey, Enfield Community Council President

### Youth Programming News

Happy spring! As the snow continues to melt and daylight returns, our winter session of programs is coming to a close. Since early January, Enfield youth have been busy cooperating and competing at Magic Monday's game program. Tuesday's Girls' Circle continues to be a much loved safe space for exploring important topics and expressing ourselves through crafts. Wednesdays has found some hardy souls out in the snow and cold preparing for the Maple sugaring season at Enfield Sugar-makers group at Sapsquatch, an Enfield sugar bush. Thursdays at the Enfield Community Building, we've been learning all about birds, migration, tracking and other ways to know about the wildlife around us in Habitat Homies. Finally Fridays is still "where it's at", according to its many repeat participants. This is a youth-directed program involving crafts, games, and field trips, time to relax with friends and have fun conversations. Every program after school features healthy snacks and an opportunity for young people to share their voices, opinions and ideas for shaping our group experience. Thank you to all the youth who attended and to the families who support their kids' participation!

Four young women from Enfield were selected to be part of Girl Ventures, an exciting new program that brings together youth from all over Tompkins County for monthly special events focusing on positive self-image and expanding horizons for future careers. This month, we all attended Sister Friends, an elegant banquet luncheon at Ithaca College featuring inspiring speeches, songs, and performance by powerful women in our community.

With the new season comes NEW after-school programs! Middle-School Aged youth will have daily chances to have fun after school, pursue their passions, play outside, and find artistic inspiration. The Enfield RYS program provides opportunities for young people to connect with friends, try new skills, and have a place where they can truly belong. For more information about upcoming programs starting in April, contact Lauren Salzman, Enfield Youth Program Manager at (607)272-2292 or [las466@cornell.edu](mailto:las466@cornell.edu). ### Enfield Boys Basketball

This year I had the opportunity to coach again at Enfield Elementary. This was my second year coaching at the school. My first year was very memorable not only because of the experience but also for the opportunity to coach my son Ja'Lyn Griffin and his friends. Since my son moved on to Boynton Middle School I was hesitant about coaching again. After some well thought out time, scheduling and cooercing from parents of Enfield students, I decided to embark on the task of coaching again. I am so happy I did. This year's group of 3<sup>rd</sup> and 4<sup>th</sup> graders and some of my 4<sup>th</sup> graders that are 5<sup>th</sup> graders this school year have giving me memories that will last for many years to come. I look forward to my next group of 3<sup>rd</sup> graders and to continue the amazing progress the incoming 4<sup>th</sup> and 5<sup>th</sup> graders have made and will make. I also can't wait to see this year's 5th graders have the opportunity to play 6<sup>th</sup> grade basketball; to me it will be like watching my own son. Special thanks to all the current and past parents for giving me the opportunity to coach your son and for allowing your son to help bring the best coach I could be out of me. And to all the future Moms and Dads and boys I can't wait to get started and build even more special memories.

Langston Griffin

### Enfield Girls Basketball Teams

This year there was a combined 3<sup>rd</sup> and 4<sup>th</sup> grade team and there was a 5<sup>th</sup> grade team. The coaches were Khalil Bey, Jaimy Allen and Michael Inman. Thank you to all the coaches and any and all other parents that helped out at practices and games.

Keanna Walton was a 5<sup>th</sup> grade player this year: The basketball team has had so much improvement thanks to the great coaching that the coaches gave us. For example the 5<sup>th</sup> grade team almost beat BJM team, the score was 14-12. That was a big improvement considering the fact that they won by 14 points the first time we played them.

Marlea Monroe, a new 3<sup>rd</sup> grade player, said that she had lots of fun playing basketball this year and will join the 4<sup>th</sup> grade team next year.

The boys teams had Langston Griffin as coach and Toni Podufalski assisting.

On behalf of the Enfield Community Council I would like to thank all the coaches and parents for volunteering time for all the teams and for supporting the children of Enfield. To the Enfield Volunteer Fire Company a immense thank you for co-sponsoring the teams with their monetary donations (purchases uniforms and coaches shirts).

Vera Howe-Strait with submissions by Keanna and Marlea

## Enfield Summer Day Camp

Ah, I feel Spring is around the corner... and my thoughts are on summer camp. The Enfield Community Council has a summer day camp program for children ages 4-13 years old. It is a 6-week program that begins on July 6 and ends August 14, 2015. It will be held at the Robert Treman State Park's lower level (the North Shelter).

The campers start their day at 8:45 a.m. with a cold breakfast and have activities until 11:30 which is lunchtime (except for field trips, most lunches are hot food items). The daily activities include a combination of most of the following: sports, arts, science, sewing, cooking, journal writing, singing, hiking, literacy activities, swimming, outdoor education (the last activity is for campers 9 years old and up). We have access to open fields, creeks and the playground. There will be field trips to Hangar Theater, Sciencenter, Taughannock Park, Watkins Glen, miniature golf, Greenwood Park, bowling and some new trips.

All fees are per child and based on resident or non-resident of the Enfield community. Resident fees: Before camp care (7:30 – 8:45) = \$170.00, Base fee (8:45 – 3:00) = \$375.00, After camp care (3:00 – 5:30) = \$225.00; Non-resident fees: Before camp care = \$170.00, Base fee = \$450.00, After camp care = \$260.00.

I would like to take this time to explain the reasons for the increase in all the camp fees. Though it may seem a large increase when all fees are added together it is actually \$128.34 per week. This rate is, if not the lowest, one of the lowest for camp fees in Tompkins County. The increase in fees from 2014 to this season is due in large part to the second year of minimum wage increase. Due to this all wages had to be increased. As in other areas of the service community other items have increased: admissions to sites, supplies, food, etc. Though the Community Council strives to have fees that are affordable to the community it is also imperative to be able to pay for all costs associated with quality programming. The Community Council is offering a prepay reduced rate for the BASE FEE ONLY (camp hours of 9:00 – 3:00). If the base fee is paid by May 31 the fee is \$15 less.

Completed applications and all fees are due in by June 15 to guarantee space at camp. If you currently receive temporary assistance or need help with the cost of childcare, you may be eligible for assistance through DSS. Please contact Vera Howe-Strait 280-2317/vstrait18@htva.net or DSS 274-5677 for further information. The DSS acceptance letter must be received by Vera Howe-Strait before camp starts. Camp applications are available at the Enfield Elementary School Main Office, Enfield After School Program, Enfield Town Clerk's Office, townofenfield.org. Please contact Vera Howe-Strait with questions, concerns and/or application.

*The Enfield Community Council strives to provide activities that are free or low cost. It is our goal that no one is turned away because of the inability to pay. Please contact Vera Howe-Strait if there are any issues regarding income and/or ability to pay.*

## Could You Help Send an Enfield Youth to Camp?

Over 60% of our campers come from local low-income families. We try not to turn away any child who wants to participate in our programs. We have gotten many more requests for help in paying for our summer camp the last 2 years so the Enfield Community Council is starting a scholarship fund to meet this need in our community. The 6-week camp season base fee is \$375.00 per child; that's \$62.50 a week.

Your donation of \$375.00, will allow 1 camper to:

- Participate in arts, science, sports, and craft activities.
- Swim daily at Treman Park, opportunities for hiking, creek exploration, playground time
- Go on many field trips that are scheduled: Taughannock Park, Greenwood Lake State Park, Watkins Glen swim pool, Sciencenter, Hangar Theater, bowling/mini-golf, Syracuse Zoo
- Have a healthy breakfast, hot lunches and bag lunches for field trips
- Make new friends, play outdoors, have fun and be safe

*The Enfield Community Council is a 501 C-3 not for profit organization - Your donations are tax-deductible. Please make checks/ money orders payable to Enfield Community Council, 168 Enfield Main Road, Suite 11, Ithaca, NY 14850. Please note "Camper Scholarship" in the memo line*

Thank you for your support of the Enfield youth,  
Vera Howe-Strait

\_\_\_\_\_ I would like to donate \$ \_\_\_\_\_ to go towards \_\_\_\_\_ (# of youth) camp fee.

\_\_\_\_\_ I would like to donate an additional \$ \_\_\_\_\_ to go towards the before camp care (\$170.00) and/or after camp care (\$225.00) for an Enfield youth

## Odds and Ends of Documents in the Enfield Town Files. Sue Thompson, Enfield Town Historian

In our town hall, there is a folder called "List of Names of Persons Employed by Town Superintendent". Among the many documents is a list of employees from 1910: Frank Lanning, Town Highway Superintendent, hired the following people: Ambrose Babcock, Glen Babcock, Fred Bowers, William Davis, Ben Fish, Edwin Ford, Floyd Havens, A.D. Hollenbeck, Silas Hubbell, Monroe Lanning, Arthur Loveless, Lewis Loveless, Bert Tucker, Fred Wright, Jesse Wright. They were listed as Teamster or Laborer and were paid starting at 88 cents per hour down to 16 cents per hour.

In 1923, Frank O. Rothermich, Town Highway Superintendent, hired the following people: H. Bullard, W.F. Knapp, Walter Knapp, Nick Lange, C. Leonard, E. Owens, Herbert Palmer, C. Richards, Bert Truax, M. Truax, Fred Wright. They were listed as Teamster, Laborer, Engineer, Truck Driver. They were paid anywhere starting at 90 cents per hour to 40 cents per hour. By the 1950's the town had cut its employment down to 4 or 5 people; it varied.

On November 25, 1911 the Town Board authorized Hiram Rockwell, Enfield Highway Superintendent, to build a shed to house town highway equipment. This was built on the "Ferguson lot" recently purchased by the town (across from the current Town Hall). In 1930 another Town Barn to store highway equipment was built on that same property.

There is also a book called "Oath of Office Register" varying in dates from the 1930's to 1950's. Officials of the Town were "dutifully" sworn in and signed this book for offices in 1930: Town Welfare Commissioner – Charles F. Teeter; Deputy Town Clerk – Elizabeth Bailey; Constable – J.G. Jones. (Note: some of these documents were "pinned" to the pages of the book – no paper clips here!). 1932 – Attendance Officer – Leslie Hine; Dog Enumerator – Leroy Whitaker.

### Enfield Fire Company Auxiliary

The auxiliary has been helping out the fire company with their chicken BBQ's and having our bake sales. We would like to thank everyone who purchased items and bought tickets for the themed raffle baskets. It's hard to believe that we are all done for this year.

At this time, we do not have any events or activities coming up. We are just hoping the snow is finally done and we can all get ready for summer and gardens. Have a safe spring and wonderful summer.
