Enfield Power Equipment

On May 1972, Enfield Power Equipment opened up on Rt. 327 John and Helen Jackson, selling the John Deere line of snowmobiles, accessories and clothing, mowers, blowers, chain saws, and John Deere toys for kids invites you to stop out and have a look.

Beside Power Equipment another service available is Master method chemical furniture stripping. They have successfully stripped everything from the church pew in the Enfield Baptist Church to a motorcycle frame. Majority of their work has been on household furniture. The building also houses Howard Raymond's Typewriter Service. Mr. Raymond sells new Olivetti typewriters and adding machines and specializes in serving I.B.M. typewriters. He has 12 years experience including training with I.B.M.
