

Throw Back Thursday - Agape Church

Agape Church - Reverend Kenneth Hoover in the summer of 1980 held Evangelist meetings in the town of Ithaca. Through the next two years the group grew. They met in places such as the Hillendale Golf Course Club house on Applegate Road, and Enfield Falls Community Building on Gray Road. In the fall of 1982 John and Helen Smith donated land on South Applegate Road to the now called "Agape Church" organization. The congregation moved into the new church building July 1983.
