

On March 31, 1934 Hall and Stella Bailey entered into a lease with the Bureau for fifty years for the small area of land where **the Enfield Falls Community Building** is located on Gray Road across from the Budd Cemetery. The Bureau would pay \$1.00 annual as rent. A community hall was to be completed within six months of the 1934 date. The lease also stated that if there was fire and the hall burned a new one was to be building within the year. If the hall was abandoned for a period longer than one year, or violation of the contract in anyway, the lease would be terminated. At the time of the lease Lloyd Rumsey was President and Mary Hoyt was Secretary of the Enfield Falls Home Bureau and Community Association.

We invite readers to share their memories of the community building send e-mail to historian@townofenfield.org.
