Dan Walker called the meeting to order at 7:05 p.m.

Steve Givin made a motion to accept the minutes of the May 6, 2015, meeting. Poney Carpenter seconded the motion. Minutes passed unanimously.

Dan Walker informed the Board that Dawn George passed away. He thought the Town Board would announce the vacancy in a few months.

The town is offering the Violence in the Workplace training which all members should take.

Dan Walker reported attending the Highway Superintendents School on roads. Some of the topics they discussed were regarding road usage, road ownership, storm water impact on roads.

Dan Walker suggested for the August meeting to have a planning board training for the Board members. There are sites on the web the group could look at together and perhaps using two meetings to do the training.

Dan Walker reported that the revised subdivision regulations have not gone to the Town Board for approval yet. There was discussion on making the regulations a town law. Guy Kroeg, town attorney stated that they do not have to be a law to be legally enforced. The wind farm is moving ahead slowly. The draft for road usage is moving forward. The Developer has to have a road usage agreement between the town and county for use in regard to the windfarm.

Poney Carpenter made a motion to adjourn the meeting. Henry Hansteen seconded the motion. Meeting adjourned at 7:45 p.m.

Respectfully submitted, Sue Thompson, Recording Secretary
