

Above (top) is a scanned postcard labeled Hotel Enfield Center, M.L. Harvey House 1875. A while back I did an article on this house located at 186 Enfield Main Road, Enfield Centre Hotel. I have looked this picture over and over trying to get it to fit the drawing and current home. Yes, I assume changes have been made over the years. Any comments and knowledge of these changes and is this really a picture of the Hotel would be greatly appreciated. Thank you.
