Alan Teeter brought to the board a request to set an appropriate fee for Site Plan applications and for Subdivision Applications. The application fees were allowed in the local law to cover the Town's cost for processing. Alan was asked how much time is required for him to process an application and he said it was about two hours of his time for an application. The board discussed the fee and recommended that a \$50.00 fee would be appropriate. This will be recommended to the Town Board.

There was no other business for the Board and the Meeting was Adjourned at 7:20
