

Comprehensive Plan Committee April 17 2018

In attendance: Supervisor/Chair: Beth McGee, Councilpersons Becky Sims and Mimi Mehaffey, Planning Chair: Dan Walker, Planning Board Alternate: Joe Dawson, Planner: Matt Johnston, Additional Committee Members: Nancy Spero, Jon Yates.

Introductions. Planner, Matt Johnston spoke on his experience and his assessment of the Plan as is.

Considers the draft “robust” and would like to take our lead on the review since we are of the community.

Should we have a timeline of actions rather than just lists of actions?

Site Plan/Subdivision as action

How will we measure success of Plan- benchmarking to determine what sections of the Plan might need updating in the future and which ones are working best.

Actionable summary of the Plan to give the gist of the Plan for people at meetings and in the Town Hall/on Website to inform people of the basic goals/actions.

To Do:

- Pictures
- Data
- Maps
- Formatting
- Reference List of local Laws
- CAFO info
- Energy section
- Considerations from Town of Ithaca Plan
- Becky will work on Land Use data
- Beth will provide text only with data draft for editing
- Becky will look at Aquifer Study language
- Environmental Resources is not in the TOC
- Matt will prepare review on everything up to and including the Heritage and Historic Preservation
