Holy Heat Wave. As I type this it has finally dropped to 78 degrees. I hope we are all checking with our neighbors (especially those with mobility difficulties). The heat can be VERY deadly. Check on each other and make sure everyone is safe. Do NOT leave your kids or pets in the car. This can be death for them and jail time for you. Stay cool and when possible do outdoor work during the early morning hours or after it cools down in the evening. Have patience and take it easy. Your (and My) kids are hot and disinclined to listen. Deep breathes are essential to me (and counting slowly to ten or more).

I was very sorry to hear about the food bank's problems. If you can help them out, please contact Joanna or Jean. There info is an article further in.

While summer is hitting full force very soon, keep in mind the 45th annual Harvest Festival on September 22nd at the Enfield Elementary Building! Live music from Under Construction and lots of fun! If you would like to be a vendor or volunteer, please call me or Ann Rider. Our info is to the left.

The ECC storage shed needs help! Can you donate materials, labor, or expertise? We have a leaking roof with missing shingles. It looks like it may need the one side completely redone (including plywood), but I am NOT an expert at all. Please call Ann if you can help in any way.

Also, this appears to be the last mailing of the Town of Enfield section of the newsletter. Please be sure to read the info in this issue so you can keep in touch. This section will remain quarterly.

As always, we are always looking for ideas and volunteers. Volunteer as much or as little as you can! We already had to cancel the Country Faire this May due to not enough hands. I would like to bring this back and possible add more community events. Please consider lending a helping hand!

Be Safe and Happy,
Cortney Bailey

**American
Red Cross**

Please be on the look out for the blood drives that take place at the Enfield Volunteer Fire Department. These drives keep life saving supplies available for all of us. Thank you for those who give!

**Red Cross Blood Drive
At the Enfield Volunteer Fire Company**

Red Cross Blood Drive: The 3rd Tuesday of every other month (the odd months: November, January etc.) 1:30 until 6:30 PM., walk-ins are welcome or call the American Red Cross at 273-1900 for an appointment.

Next Blood Drive: Tuesday, July 17th

Thanks to the community for helping us meet or exceed our monthly goals! However, there's always room for more!

The Enfield Volunteer Fire Company would like to acknowledge all the members of our community for their donations from our calendar mailing. We would also like to also like to thank all those who have supported the blood drives we hold every two months at the fire station. With the shortage of blood available, every donation is an opportunity to save a life. We had another successful Chicken BBQ year. Thank you for your continued support.

MOTHER'S CLUB - Sue Thompson, Enfield Town Historian

Out of the stressed day to day existence of the beginning of the depression years of the 1930's, there arose the idea by Reverend Dutton S. Peters and his wife, Martha, that there was a need in behalf of the women of local Enfield families to have some diversion from the duties and plain hard work that made up their lives.

To that end, a Club and annual Mother's Camp was set up. Charter members were: Vera Drew, Lena Teeter, Edna Graham, Lida Griffen, Susie Hansen, Martha Peterson, Ada Rumsey, Carrie Schaber, Nellie Wilson, and Harriett Wixom.

It began with a core of eleven women who went to Lisle, New York to the hostel called the Happy Valley Homes, for a week's vacation in August of 1933. In 1935 flooding was bad in Lisle so there was "no camp this year", as related by Doris Snow from the records of her mother (Susie Hansen).

After the "Lisle Years", Mothers' Camp was held some years on Cayuga Lake and sometimes on Kayutah Lake (Also known as Cayuta or Little Lake) near Odessa, N.Y. A private cottage was rented by the group and supplies for the week were purchased or solicited from the members.

The ladies in teams, prepared meals, cleaned up, and provided entertainment in the form of readings, poetry, skits, song fests, etc. They walked and swam for other recreation. On the final day of camp, family members, coming to retrieve their "renewed" mother, were often invited to share the picnic or last meal before departure for home.

Club meetings were bimonthly at members' homes and consisted of a meal with a business meeting followed by some form of casual entertainment. Occasionally a day trip was planned, such as an outing to Corning Glass Factory, Corning, N.Y. in 1952 with lunch at the Grace Methodist Church served by the ladies of that church.

Forty-four years later the Mother's club met with the following members as of May 1977:

Alice Baker, Carol Baker, Jesse Baker, Mildred Bates, Irene Brown, Nellie Decker, Edna Graham, Viola Harvey, Grace Hill, Fayette Hines, Lina Jones, Joyce Laue, Jennie Leonard, Mary Pelham, Martha Peterson, Warnea Rumsey, Elizabeth Rumsey, Irene Scott, Doris Snow, Marian Thornton, Elizabeth VanDezee, Jean VanDezee

The club flourished through the years until the 1980's when the last of the original members were gone and the requirement of every day life changed radically from those of fifty-some years earlier.

Members and non-members, who have come and gone to camp and meetings over the years:

Mary Ammark, Alice Baker, Carol Baker, Jessie Baker, Mildred Bates, Marce Bennett, Irene Brown, Pearl Caley, Jerry Cockerill, Nellie Decker, Cora Dempsey, Vera Drew, Lena Fisher, Wilma Fisher, Edna Graham, Ana Green, Hollen Green, Lida Griffen, Susie Hansen, Viola Harvey, Grace Hill, Fayette Hines, Carrie Hoffmire, Joyce Lable, Lina Jones, Neva Laue, Winifred Laughlin, Cora Leonard, Jennie Leonard, Caroline Lewis, Blanche Marshall, Esther McFall, Dora Monroe, Sara Nousse, Bernice Payne, Mary Pelham, Martha Peterson, Warnea Ramsey, Marie Ross, Ada Rumsey, Cora Rumsey, Elizabeth Rumsey, Elmina Rumsey, Carrie Schaber, Irene Scott, Doris Snow, Eva Snyder, Joyce Soule, Mazzei Spencer, Helen Stanton, Ethel Taber, Isabelle Teeter, Jessie Teeter, Lena Teeter, Marian Thornton, Blanche Tucker, Elizabeth Tuckerman, Hilda Tuner, Hazel Updike, Elizabeth VanDerzee, Jean VanDerzee, Marie Wagemaker, Helen Wilkins, Emma Willett, Gladys Willis, Harriett Wixom, Nellie Wilson.

If you are interested in more information on the Mother's Club, I have scanned pictures, minutes and other various records and placed them on our Town of Enfield Public archival site under Mother's Club: <http://townofenfield.org/documents-public-laserfische/>

Town of Enfield Municipal Newsletter

168 Enfield Main Road
<http://townofenfield.org>

July-September 2018

**News From the Supervisor**

Are you still using the heat and air conditioning at the same time? Then, it must be June in Enfield, NY! I hope you're enjoying the long-deserved sunshine and the smell of freshly mowed lawns throughout the town, and maybe a burst of color in your garden too. There's a lot going on in Enfield, so I'll get right to it. The Town Board will consider an extension on our Moratorium on Commercial Solar and Wind Development through 12/31/18. The Town of Enfield has been designated a Clean Energy Community and has qualified for a \$50,000 grant for reducing energy use. We are currently considering projects to propose for the grant and will have a better sense of how we're moving forward by August. The Town Board is reviewing a Solar Law proposed by the Renewable Energy Advisory Committee and will be working together on this over the next couple of months.

Beautification Committee has met and determined some small projects and could sure use some folks who love to dabble and dig in dirt to help with some planting and thinning this year. If you have a talent for this, we'd love to have you share a couple of hours with us sprucing up the place. This is a short term opportunity to share our talents with our neighbors and no committee to join! The Finance Committee will begin looking at the budget in June. We're seeking one more resident who would like to be a part of this team. This group works together with town officials and two other residents to determine best practices and make recommendations to the Town Board regarding finance and budgetary issues. You don't have to be a mathematician to be a valuable part of this team. Your interest and input will help the town meet its fiscal responsibilities.

The Town Board seeks a Burial Coordinator to organize burials for town cemeteries. There is a stipend for this position. Are you the perfect candidate? Qualifications include an interest in providing a service to families during a difficult time and willingness to make the burial portion of their process go smoothly. Good communication skills, respect and care for the community, ability to learn and relay burial plot requirements for interment, ability to excavate a cremation plot with a shovel 2' deep and 2' wide if necessary, ability to respond on an as-needed basis during the months of April through November (less than 5 times a year).

For more information about any of these items, please contact me at Supervisor@townofenfield.org

Lastly, **THIS WILL BE THE FINAL TOWN NEWSLETTER IN PRINT.** The Town will no longer provide a paper newsletter insert with the Community Council news. There are several ways you can stay even more informed than through a quarterly newsletter.

Hurry to your town website at www.townofenfield.org and look at the right side of the screen. There is a space to share your name and email address. Once you enter your information, we can keep you better informed of important events and issues that connect us in the Town of Enfield as soon as we post them on our website. Clean up days, rabies clinics, Town and Planning board meetings and committee happenings, Chicken BBQs, blood drives, Grange information, Public Hearings, emergency information and more are posted there. (Be sure to check your SPAM folder for our emails if you are not seeing them in your inbox.)

If you don't have a computer, but do have a smart phone, you're in luck! Our site is mobile-friendly and easy to use. Follow the instructions above and you'll be getting notifications about the great things happening in your town before you know it.

If you have no internet access at all, please call Alice Linton, Town Clerk, at 273-8256 and speak with her about access to town news and events information. A brief list will be updated monthly and available at the Town Hall.

A sign will be installed outside of the Town Hall that will share current news and info as necessary. Thanks to Joe Dawson for volunteering his time to build this great tool for keeping our community informed. Look for it this summer!

If you would like help navigating our website or with signing up for news and events, please stop in and see us at the Town Hall or give us a call and we'll sign you up.

If you know someone who is missing out on all the great news and info in Enfield, please share this information with them. The more people included on this notification list, the more connected we are as a community.

Now get back to enjoying the warmth. Pretty soon the corn will be knee-high and the nights filled with chirping frogs. Just some of the great joys of living out here...

Don't forget to sign up to be notified of news from the Town of Enfield (located on the front page of the web page). Some of the items you can find on our web page are: Minutes from the Town Board meetings (both sound recording and approved – written), Planning Board Minutes, Archival -Historical – resource documents, Town Newsletters, and Calendar events.

From the Enfield Town Clerk

This is the time of year at town hall that we are busy selling fishing licenses, marriage licenses and dog licenses. Please remember that it is very important to keep your dog licensed. It is a common occurrence for a resident to stop by to license their dog, only to find their dog's rabies vaccination has expired. Thanks for doing your part to make sure all Enfield dogs are legal!

If you have a new dog, you can stop at the town hall, call and ask us to send you a form for licensing, or print the dog license form from our website, www.townofenfield.org.

This is likely to be the final municipal newsletter that you will receive in a paper format. We're going to try publishing future newsletters/articles on our website. We encourage residents to go to www.townofenfield.org and sign up to receive postings as they are available. If you don't have access to a computer, and would like future newsletters/articles, please contact us at town hall – 273-8256. We believe this change will save the Town several thousand dollars each year.

As always, if our office hours aren't convenient for you, give us a call at 273-8246 and we'll be glad to open the office at a time that works for you.

Have a relaxing summer, and remember you can purchase your fishing license at the town hall!

Enfield History Update by
Sue Thompson, Enfield Town Historian – historian@townofenfield.org

Just a few things in the historian's area. If you are looking for a place to share Enfield documents, pictures, etc. contact the Enfield Town Historian. I can scan your documents to place in our archive and return your originals.

A few requests of information I have received lately are: "wWat was the Enfield Community Center, Inc." Inc. July 1957?"; "Were there "witches" on Connecticut Hill?" (An interesting article on Witches in New York State can be found here: <https://mailchi.mp/ihare.org/witches-in-america-a-tale-of-three-new-yorkers>) "Where was the location of the old Royce Farm in Enfield, the Vincent Meyers Gas Station on Enfield Falls Road, the Gibbs House on Bostwick Road." Simon Vescelius DAR connection and Enfield. Was a very old axe head found on property located on Harvey Hill Road.

Dave Bock shared some Enfield History information after I asked about Mummy Hill. "I have no idea how Mummy Hill got its name. Trumbulls Corners Rd loops around the west side and Porter Hill Rd goes up the east side, where the Porters lived at the top. Their home is marked on the 1850s map of Enfield. Starting at the Rumsey family cemetery at the western edge, the now-abandoned stagecoach road runs along the side of the hill to emerge just below Rockwell Rd at the east (now Andy Auble's driveway). That was part of the route the stage took from Watkins Glen (then called Jefferson) to Enfield Falls. Sometime in the mid-30s the CCC planted all the pines; Dad (Bob Bock), about 10 years old at the time, "helped".

Flu Vaccinations Available at the Tompkins County Health Department

Protect yourself and your community from the flu and get vaccinated! There are many opportunities for flu vaccination including health care provider offices, pharmacies, and the Tompkins County Health Department. Everyone over the age of six months should be vaccinated every year against the flu.

Flu vaccination is the best protection against the flu – it protects you and limits the spread of flu to others. These include infants under the age of 6 months who are too young to be immunized and those who are immunocompromised such as people who are receiving cancer treatment.

Tompkins County Health Department (TCHD) is providing flu vaccinations at its location at **55 Brown Road** – across from the airport. There is plenty of free parking. Flu vaccinations will be available at the Health Department beginning, **October 6**. Appointments are necessary for all clinics and can be made by calling the Health Department at **607-274-6616**.

Flu vaccinations will also be available to the public on Tuesday, **October 13** from **9:00 a.m. to 12:00 p.m. at Lifelong**, 119 West Court Street. Call TCHD at 274-6616 to make an appointment.

Most health insurance plans cover the cost of an annual flu vaccination. At the Health Department, there are no out-of-pocket costs if you have one of the following health insurance plans: Blue Cross Blue Shield, Medicaid, Total Care, Fidelis, Medicare Part B and Medicare Managed Plans: Secure Horizons, Today's Options, and Medicare Blue.

However if you have a health insurance plan other than those listed above, you will have to pay the cost of the flu vaccination at the time of your appointment. The Health Department will provide a receipt that you may submit to your insurance for reimbursement.

The cost is \$35. Cash and checks accepted; no credit or debit cards.
