June 6, 2018 - Enfield Community Building

1

PRESENT: Ann Chaffee, Henry Hansteen, Rich Teeter, Dan Walker

OTHERS PRESENT: Joe Dawson, Alan Teeter

ABSENT EXCUSED: Steve Givin

Dan Walker called the meeting to order at 7:05 p.m.

Dan Walker made a motion and seconded by Rich Teeter to approve the minutes for the May 2, 2018 meeting. Motion passed unanimously.

Alan Teeter, Code Enforcer, reported that Linsey Garner, who was originally applying for a 2 lot subdivision on Hayts Road, changed her mind and will not be applying for the subdivision.

Dan Walker reported the Energy Committee submitted a Solar Law to the Town Board. The Town Board will review the law and suggest additions and changes.

Dan Walker reported The Town Board approved the extension on the Delaware River Solar permit. Delaware River Solar stated to the Town Board they would be willing to enter into a Host Community Agreement. They felt that an Agreement similar to the one negotiated with Newfield would be reasonable. Delaware River will provide draft documents of both a Decommissioning Agreement and a Host Community Agreement for the Town Board to review.

It was decided to discuss the Subdivision Regulations at the next meeting.

The July 4th meeting will be canceled because of the holiday.

Meeting adjourned at 7:20 p.m.

Respectfully submitted, Sue Thompson, Recording Secretary
