It was one of those March days when the sun shines hot and the wind blows cold: when it is summer in the light, and winter in the shade.

~ Charles Dickens, *Great Expectations*

Hello Spring! I hope the beautiful weather we are experiencing while I write this sticks around. We have a lot going on this spring.

First off, the Enfield Elementary School and the Enfield After School Program have approached the ECC about the Country Faire. It appears that this new event was missed last year. We voted to sponsor the event once again. Look inside for further information.

Secondly, we have passed our new by-laws. They needed to be updated to meet State and Federal laws. With the new by-laws in place, we are ready to continue our push to build our Community Center. Now the question has been posed, do we still need it? While I believe a larger community space with a complete commercial kitchen is needed even more now, we would like the community's opinion. Please let us know your thoughts via email or a phone call. Any officer will do, our contact info is located to the left.

Third, Summer Camp registration has commenced. Inside you will find the information and forms. Please contact Vera if you have any questions. Her contact info is in the forms.

Fourth, the Town of Enfield is doing clean up days once again. The dates are Wednesday, May 8th through Friday, May 10th from 12 pm to 5 pm and Saturday, May 11th from 7 am to 12 pm. Please see the town website for further information.

Fifth, Free Rabies Vaccination Clinic on May 9th at the Enfield Highway Department. Again, please see the town website for further information.

Obviously, everyone has been busy with planning and will continue to be busy with all these events going on in the near future! Please remember to take a deep breath when you need one!

Enjoy the Spring,
Cortney Bailey

News from Enfield Elementary School

<https://www.ithacacityschoools.org/enfield>

Spring is in the air at Enfield Elementary School! Our students and staff are ready to thaw out and spend more time outside as the weather warms up. We are excited to share some highlights from our school year so far and let you know about upcoming events.

School/Community Connections

Our passionate PTA continues to develop incredible programming for our community. We just wrapped up the wildly successful Dino Night and had a family Dance in February. In a couple weeks, we will launch our Marathon Miles running program. Students will run/walk every day around our school to accumulate miles toward a total distance of a marathon by the end of the year. Come join us!

We collect **Box Tops for Education**. Here is the site for participating products <https://www.boxtops4education.com/earn/participating-products> that have Box Tops. If you have some, Judy Fernandes in our main office will gladly take them off your hands.

The PTA is running a **fundraiser** through IthaCan (614 Elmira Road). Bring them your returnable containers and let them know you are donating the returns to Enfield Elementary School.

Please check out their website <http://www.enfieldpta.org/> for continuous updates. Anyone can support the PTA through the site, and if you have children in the school, please consider becoming a member and attending our monthly PTA meetings on the first Monday of each month. Pizza and childcare arrives at 5:30 and the meeting starts at 6 pm.

We are participating in and/or hosting a few upcoming events open to the community. We hold a Library Storytime every other Thursday morning from 8:30-9:30 am. The remaining dates for the year are March 28, April 11 & 25, and May 9 & 23. The library is open to caregivers with children age 0-4. Books are read, snacks are served, games are played, and songs are sung! We're so looking forward to the Spring Faire that will take place at Enfield Elementary School on May 11. Our annual Health and Wellness night will be held on June 19th this year.

Calling all vendors !!!!

We are currently looking for vendors for the Country Faire on May 11th! It is held at the Enfield Elementary School grounds. Booth space is \$10.00 for a 10'x10' space. You provide table, chairs, canopy, etc. Electricity is available in limited spaces. If you are a community organization getting "the word out" about your services there is no fee. Please contact Cortney Bailey at cbailey525@yahoo.com or at (607) 279-4702. We hope to have a wonderful day again this year and shake off the winter blahs!

Connecticut Hill

Enfield Town Historian, Sue Thompson (historian@townofenfield.org)
While looking for ideas for an article on "Enfield History" I found a newspaper article dated August 1911. It told about D.A. Brodie of the Bureau of Plant Industry, department of Agriculture in Washington D.C. coming to Tompkins County. He was viewing the "so-called" abandoned farms of Connecticut Hill. The government had been making experiments there to improve the condition of the soil. This was the section of the county which Col. Theodore Roosevelt made a trip through in 1910.
After reading the article I wondered how much land in Enfield is designated as Connecticut Hill Wildlife Management (WM) Area. There is a total of 181.88 acres according to the Tompkins County Assessment Office (18.-1-9 and 18.-1-10). Then I wondered who owned the land before W.M. Florence and Samuel Decker were listed on the deed. Florence received the land in her name on February 1911. The family was listed in the Federal Census as living in Newfield on Saxton Hill (Cayutaville Road) until they were listed as living on Town Line Road in 1930 in Enfield. Samuel's occupation was general farming and Florence's occupation was housekeeping. They had two children Seeley and Nellie. Their land was sold to the W.M. in 1936. They both died in the late 1930's.

Could You Help Send an Enfield Youth to Camp?

Over 70% of our campers come from local low-income families. We try not to turn away any child who wants to participate in our programs. We have gotten many more requests for help in paying for our summer camp the last 3 years so the Enfield Community Council is starting a scholarship fund to meet this need in our community. The 6-week camp season base fee is \$445.00 per child; that's \$74.17 a week.

Your donation of \$445.00 will allow 1 camper to:

Participate in arts, science, sports, and craft activities.

Swim daily at Treman Park, opportunities for hiking, creek exploration, playground time

Go on many field trips that are scheduled: Taughannock Park, Greenwood Lake State Park, Watkins Glen swim pool, Sciencenter, Hangar Theater, bowling

Have a healthy breakfast, hot lunches and bag lunches for field trips

Make new friends, play outdoors, have fun and be safe

The Enfield Community Council is a 501 C-3 not for profit organization - Your donations are tax-deductible.

Please make checks/money orders payable to Enfield Community Council, 168 Enfield Main Road, Suite 11, Ithaca, NY 14850. Please note "Camper Scholarship" in the memo line

Thank you for your support of the Enfield youth,
