Minutes-Draft

Attendance: Stephanie Redmond, Laura Norman, Steve Winkley, Jude Lemke, Henry Hansteen, Nancy Spero, Alan Teeter, Marcus, Robert Lynch, Joe & Rich (280-6526), Dan Walker, Ann Chaffee

Call to order: 7:18 PM

Review Minutes – will take care of next meeting.

Work with clerk to set up email forwarding for planning board members.

Consideration of Subdivision of Tax Parcel 4.-2-7.2, Genex , Sheffield Road:

Review of survey map, between Hayts Road and Iradell Road, Splitting the house parcel off from the buildings, 118, managers house subdividing off 2 acres, and 10 acre parcel with pond, facility, office space (west side of Sheffield rd.) Going to remain in AG use, purchasing everything but the house and lab building, need to divide the house and lab building on, more than 2 lots but still a minor subdivision. Creating 3 lots, it's a minor subdivision, 1 lot is house, other house on Hayts rd, looks like purchaser is buying house and barns

Town of Enfield Planning Board, October 6, 2021

That the town of Enfield Planning Board hereby grants subdivision approval for the above referenced action as proposed.

VOTE

Ayes; Dan Walker, Mike Carpenter, Ann Chaffee, Rich Teeter, Joe Dawson

Nays; None

Consideration of Subdivision of Tax Parcel 2.-3-9.22, Bruce Stewart, 288 N. Applegate Rd

Property owned by Mr Holmes, Subdividing off and selling to another local farmer, Lot D 11 Acres under contract with Mr white who owns house in front of it, parcel C is where existing house and outbuilding are 10 acres, parcel B 6 acres, parcel E 8 acres, both have road frontage on Applegate road, they are potential building lots. Subdivision law section, amended august 2014, did not take out what needed to take out of the subdivision law, maybe at some point

we should go through it, dan you may not have the most recent, Mike, it is getting more and more relevant. Mike, this is actually, dan it will result in 3 new lots, a gets consolidated and D gets consolidated. This is with keeping with the subdivision law, actually 4 new lots, lower lot D is under contract to go to Mr White, may or may not consolidate, road frontage was in original survey. With caveat that parcel A is combined it still falls with in because not creating more then 4, mike it would be great to get a revised copy of the subdivision law.

In a situation where we are breaking up into 4 parcel what kind of thing would be sentimental, solar project was similar subdivision. But this is different taking empty lots and still remaining empty lots that could still be built on, this particular action does not have an sentimental impact, not until they are actually build on, and if 2 single family homes are built on road frontage, would town want t asay if under an acre, you would want to tell the people , the head subdivision lotys were not very wide but health dept said that they could provide sanitary permits for the lots. If there were waterway or questionable water ways those are things we would want to consider, Dan, yes in that case. On this map which is the subjest parcel right here, there is a little water body in the woods. Definitely a pond there, partially on D and A, there is a tributary to willbrook that drains up, map from county GIS site. Parcel joining above has some waterways. There is room to build and stay out of the wet areas, that whole section is low and wet. When dan reviedved the Environmental assmement he took that into account, Mike just trying to understand the logic.

Town of Enfield Planning Board, October 6, 2021

PB resolution No. 2021- 16 : SEQR, Stewart Subdivision, 288 North Applegate Road, Enfield, NY, Tax Parcel No. 2.-3-9.22

Resolution #17 288 N Applegate rd, we have seen the plat and other subdivision materials., owned by George holmes

Mikes reading of subdivision law that planning board has nothing to do with it, it's a 2 lot minor subdivision get rest from audio (reading from law) anything above 2 lots is a minor subdivision (Dan, are you still reading from the old law? Mike I guess that I am. Dan there are new things in the law for minor subdivisions. Ok, good.

Town of Enfield Planning Board, October 6, 2021
