- BREEZY MEADOWS FARM SUBDIVISION PROTECTIVE COVENANTS**
- 1) The premises conveyed shall only be used for single family residential homes, agricultural or non-commercial recreational uses except in home offices shall be allowed. No other commercial or industrial use of the property is allowed with the exception of lots 1-4 in which commercial uses shall be allowed.
 - 2) Only one principal dwelling and one accessory unit dwelling shall be allowed per parcel. All such dwellings shall conform with the Town of Enfield laws in effect.
 - 3) Grantee agrees to keep this lot in a good and sanitary condition and shall not use as a dumping ground for trash and rubbish. The outside placement or storage of un-registered vehicles is prohibited.
 - 4) Single wide manufactured homes are not allowed.
 - 5) No camping trailers, tents, or other recreational or temporary living quarters will be allowed on the premises except for the purpose of camping for temporary periods, not to exceed ninety (90) days per calendar year. Such camping trailers or other recreational vehicles must have fully self-contained sanitary facilities or sanitary facilities connected to an approved septic system. All camping trailers, tents or other recreational or temporary living quarters allowed under this section must be removed from the premises at the end of the ninety (90) day period, except that legally registered recreational vehicles may be stored upon the premises if a permanent dwelling exists on the lot.
 - 6) No parcel shall be further subdivided.
 - 7) Residential solar energy and wind energy systems shall be allowed and encouraged in accordance with the Town of Enfield laws governing systems.
 - 8) Grantee is responsible for obtaining the necessary state and local permits for buildings, wells, and septic systems.
 - 9) A stormwater Pollution Prevention Plan (SWPPP) has been prepared for the Breezy Meadows Subdivision. Prior to any disturbance associated with Grantee's development of any lot within said subdivision, Grantee must prepare his/her own SWPPP modification specific to his/her particular lot and file an individual notice of intent (NOI). Said SWPPP must identify permanent post construction storm water management practices.
 - 10) Driveways, driveway crossings and culvert sizes along municipal highways shall be approved by the Highway Superintendent.
 - 11) There shall be no change allowed to existing drainage patterns of ditches and culverts along municipal highways without approval from the Highway Superintendent.
 - 12) Grantor herein excepts and reserves the right to grant to utility companies, a standard utility easement not to exceed thirty (30) feet in width along roads.
 - 13) No watercourse shall be blocked or diverted so as to cause material damage to any lot in this subdivision or to any neighboring property.
 - 14) For as long as any portion of the property described in this deed is subject to regulation under State or Federal Wetland Laws, there shall be no construction, grading, filling, excavating, clearing or other related activity, as defined by these laws on this property within any wetland area or any adjacent area as set forth in said laws, at any time without having first secured the necessary permission and permit required pursuant to the above noted laws. This restriction shall bind the Grantees, their successors and assigns.
 - 15) These Protective Covenants are to run with the land and shall be binding on New York Land & Lakes Development, LLC and the Grantee, their successors and assigns. The violation of any one of the Protective Covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect. These Protective Covenants may be enforced by New York Land & Lakes Development, or the owner of any parcel within the subdivision. If New York Land & Lakes Development, LLC brings an action to enforce any of these Protective Covenants, the violator must pay all costs and expense of such action, including reasonable attorney's fees.
